Dear Dr Uttl,

Please read this email in full as it contains important information related to the publication of your article.

I am pleased to inform you that your manuscript "Meta-analysis: On average, undergraduate students' intelligence is merely average" has been approved for production and accepted for publication in Frontiers in Psychology, section Cognitive Science.

Proofs are being prepared for you to verify before publication. We will also perform final checks to ensure your manuscript meets our criteria for publication (<https://www.frontiersin.org/about/review-system#ManuscriptQualityStandards>).

The title, abstract and author(s) list you provided during submission is currently online and will be replaced with the final version when your article is published. Please do not communicate any changes until you receive your proofs.

Any questions? Please visit our Production Help Center page for more information: <https://helpcenter.frontiersin.org>

For issues concerning invoices and payments, please contact our Accounting team at accounting@frontiersin.org

You can click here to access the final review reports and manuscript: <https://review.frontiersin.org/review/bootstrap/ffba9327-4985-45cc-a397-ce3c91a57bca>

As an author, it is important that you keep your Frontiers research network (Loop) profile up to date, so that you and your publications are more discoverable. You can update your profile pages (profile picture, short bio, list of publications) using this link: <https://loop.frontiersin.org/people/>

With best regards,

Frontiers in Psychology
Editorial Office, Frontiers in Psychology
